| A1            | 660           | Class: IgG2b  
Suggested Dilutions:  
Western Blot : 1:500 to 1:2000  
Cytochemistry : TBD  
Domain Recognized: NBD1 | 1 |
| A2            | 570           | Class: IgG1  
Suggested Dilutions:  
Western Blot : 1:1000 to 1:5000  
Cytochemistry : 1:250  
Domain Recognized: R Domain | 1,3,4,7,8 |
| A3            | 217           | Class: IgG1  
Suggested Dilutions:  
Western Blot : 1:1000 to 1:5000  
Cytochemistry : TBD  
Domain Recognized: R Domain | 1,7,8 |
| A4            | 596           | Class: IgG2b  
Suggested Dilutions:  
Western Blot : 1:1000 to 1:5000  
Cytochemistry : 1:250  
Domain Recognized: NBD2 | 1-9 |
| A5            | 769           | Class: IgG1  
Suggested Dilutions:  
Western Blot : 1:1000 to 1:5000  
Cytochemistry : 1:250  
Domain Recognized: NBD2 | 7,8 |

**Unit size: 0.2 mls per vial.**
